

DESIRED SPACES

2025 Catalogue

The Future of Luxury Living.

How a space feels is everything. We invite you to experience a curated world of artistry and innovation from master craftspeople dedicated to elevating your environment. Discover the finest collection of partners and products, brought together to define luxury living in Zambia.

Within these pages, you'll encounter furniture, finishes, lighting, and details handpicked with intention, defining a larger vision of refined living. Every partner we work with has been selected for their mastery, innovation, and ability to elevate homes into something extraordinary.

As you turn each page, imagine the possibilities. Whether you're refreshing a single room or building from the ground up, Desired Spaces is here as your collaborator, bringing your vision to life.

Why choose us?

At Desired Spaces, we believe a home should be more than beautiful, it should feel like you. Since our beginning, we've been guided by one simple truth: design is about people. That's why every project we take on is rooted in care, creativity, and collaboration.

What sets us apart is not only the talent of our partners or the quality of our products, but the way we walk alongside you throughout your interior design journey. From your very first consultation, we take the time to understand your vision and taste, shaping a space that is uniquely yours.

Our team, which brings together some of Zambia's most skilled architects, landscapers and builders, translates your ideas into reality, sourcing bespoke pieces, coordinating installations and capturing finishes that match your tone and lifestyle.

And once the final touches are made, our commitment continues. We offer post-installation maintenance, personalised guidance, and updates, ensuring that your home isn't just completed, it is maintained. We make the space you'll desire for years to come.

We look forward to helping you shape spaces that reflect your story, with ease.
